Baptist Church

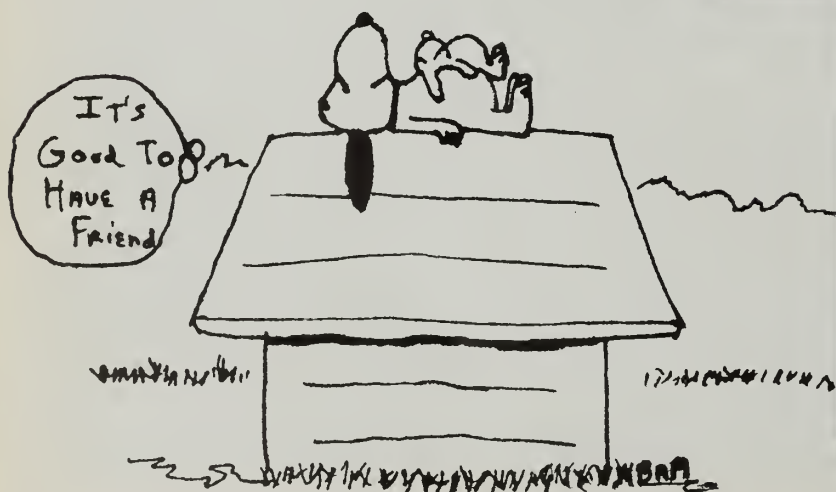

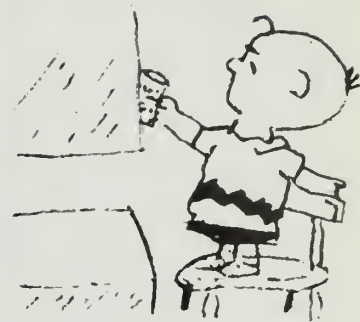

He who Knows not and Knows not that
he Knows not is a Fool—Shun Him.
He who Knows not and Knows that
he Knows not is a Child—Teach Him.
He who Knows and Knows not that
he Knows is Asleep—Wake Him.
He who Knows and Knows that
he Knows is a Wise man—Follow Him.

Us — There is Hope

Happiness is . . .

And the seasons, they go round and round
While the painted ponies go up and down—

Fish for your future in the waters of today

What is, we ask
This thing that passes like a flying bird . . .

Never imagine yourself to be . . .

To everything there is a season
And a time to every purpose under heaven.

You know you've really made it when . . .

WOULD HAVE APPEARED TO THEM TO BE OTHERWISE
YOU WERE OR MIGHT HAVE BEEN WAS NOT OTHERWISE
THAN WHAT IT MIGHT APPEAR TO OTHERS THAT
HAD BEEN WHAT YOU HAD BEEN
IMAGINE YOURSELF NOT TO BE OTHERWISE
NEVER

What is we ask
this thing that passes like a flying bird
here at first but then before we know, it's gone

What is, we ask
this thing that tells our age like records
cold and sure that late, it gets

Then why, we ask
when we have missed a joy or love
that one it is, unnoticed

Someday, I hope
when we are as young
we think about it not, until too late?

Fish for your future,
but in waters of today
for what is caught now
may later feed a multitude.

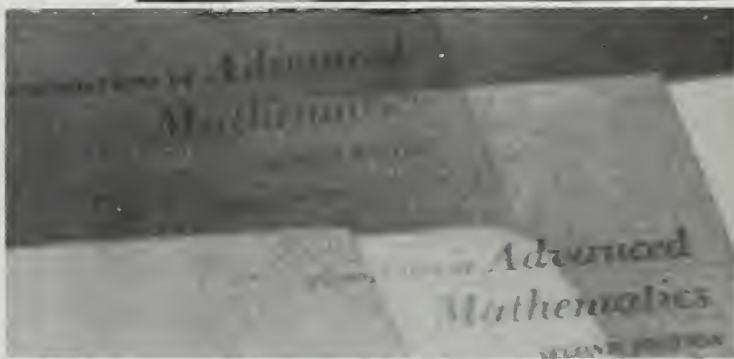

A friend is a person who can help you out. He can lead you through new worlds and encourage you to ever new heights of imagination, excellence, and achievement. A friend is there not to push, but to pull you into travelling new horizons and is there, too, to meet you coming back. Most of all, a friend is someone to respect for himself and for respecting you.

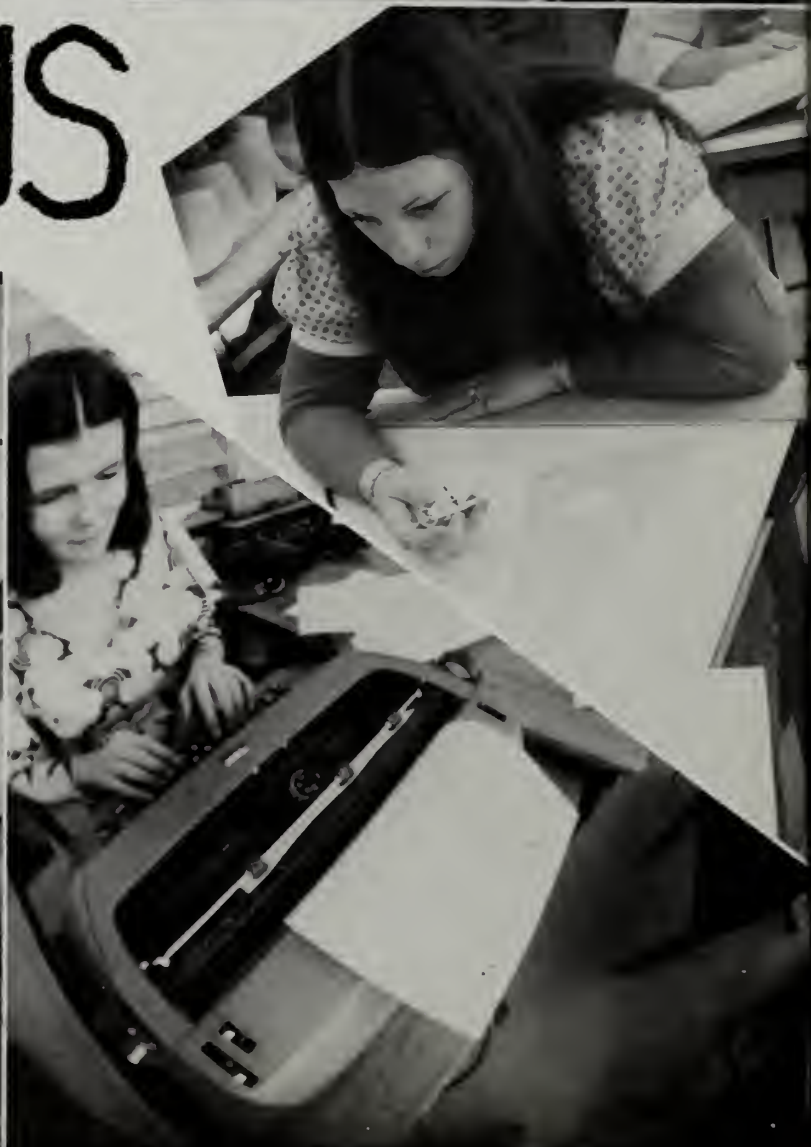

While there is a war in a place...

I am not free.

*It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incred-
ulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had every-
thing before us, we had nothing before us, we were all going direct to Heaven, we were all going direct the other way--in short, the period was so far like the present period . . .*

Dear Members of the Class of 1974

I am delighted to offer my congratulations to you upon your graduation from Billerica Memorial High School. Your years in school will provide many warm and pleasant memories over the years to come.

Most of all, your years in school have given you the foundation on which to build a future. Whether you chose further education, the world of business or whatever, you will constantly draw upon your school experiences to attain future goals.

I sincerely wish success for each and every one of you. I hope that good fortune will be yours and life will always be meaningful and kind.

Sincerely,

William H. Flaherty, Jr.

Principal's Yearbook Message 1973-1974

Every person should possess a basic core of knowledge in order to live a full life as a member of the world community. You should learn to use your own language and gain some appreciation of at least one foreign language as well. You should become acquainted with the laws of physics, chemistry, and biology and the facts as revealed by these sciences. You should study history and the sciences of man, and learn the essentials of human logic and elementary mathematics. You should gain a degree of familiarity with world literature and art, and finally you should gain at least an introduction to philosophy and to those problems caused by the integration of knowledge and practice.

This is what you should do, but even if you fall short it is very important to you and to others that you really tried.

Girls Field Hockey

The girls varsity field hockey team enjoyed one of their most successful seasons in several years. The team, captained by Carola Stearns and Gail Jenkins, concluded the season with 5 wins, 2 losses, and 1 tie, finishing one game behind the leaders in the Merrimack Valley Conference. Other seniors were Denise Fitzpatrick, Kathy Delaney, Amy Cooper, Kappy McGowan, Kathy Rossini, and Karen Riddle.

Highlight of the season was a 1-0 win over Andover, the M V C League champs. Letter winners returning to the squad next year are defensive players Debbie Higgins, Pat Smith, Sue Penta and forwards Sandy O'Brien, and Kathy Hughes. Also returning will be Gerry Dube, Donna Dagle and Peggy Guarino who received valuable varsity experience this season.

Coaches were Miss Barbra Hood and Miss Nancy Phillips.

The Junior varsity record was 2-2-3.

- Bill. 1-Andover 2
- Bill. 2-Chelmsford 0
- Bill. 1-Methuen 1
- Bill. 0-Wilmington 4
- Bill. 4-Dracut 0
- Bill. 1-Tewksbury 0
- Bill. 1-Andover 0
- Bill. 1-Tewksbury 0

Soccer in '73

The soccer team finished with an 8-4-2 record in their first season in the Northern Soccer League, with a small let down being pushed back into 4th place by St. John's Prep.

The strong point of the team this season was the consistent All-Star Performances of fullbacks Al Polmonari, and Duke Diaz. With honorable mention going to Seniors Henderson and Maynard and Juniors Bullock and Cowan. Recognition is also presented to Mark DiPietro, Steve Mullen, Dick Maynard, and Bill Vacca for their hustle and determination under many adverse conditions.

The team scoring race was a tight battle right down to the last game between Tri-Captains, DiMatteo, Henderson, and Marshall. With Mark Henderson capping it off with a goal and assist.

One game that I think will remain in all our memories was the last league leading game against Wilmington. This game was so important because if we had won or tied we would have been eligible for the Mass. State Soccer Tournament. But unfortunately it was not within our power to do so, and we lost under many unanswered circumstances.

A good word should also be included about the superlative coaching jobs of Mr. Bill Alteri and assistant Mr. John Amato. Without their encouragement, total dedication, and involvement with the team, such a successful season would have indeed been impossible.

Returning Juniors next season will be B. Bullock, D. Diaz, N. Dooley, C. Cowan, D. Loring, K. Frazier, M. Jenkins, D. Woodworth, and Steve Meltzer. With players of this caliber coming back next season a league championship is certainly possible.

F O O T B A L L

Baron Baroni, Co-Capt., Coach Meyerhoeffer, Tony Cataldo, Co-Capt.

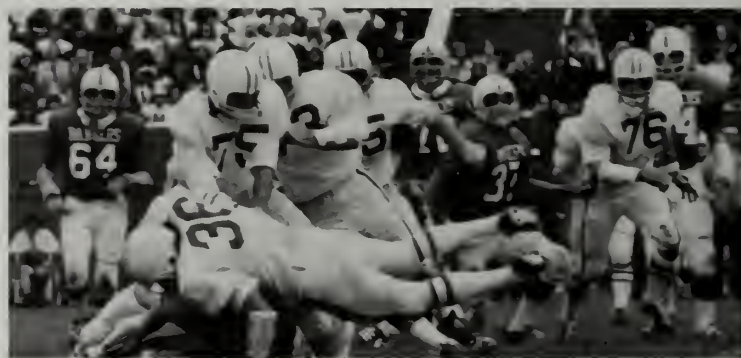

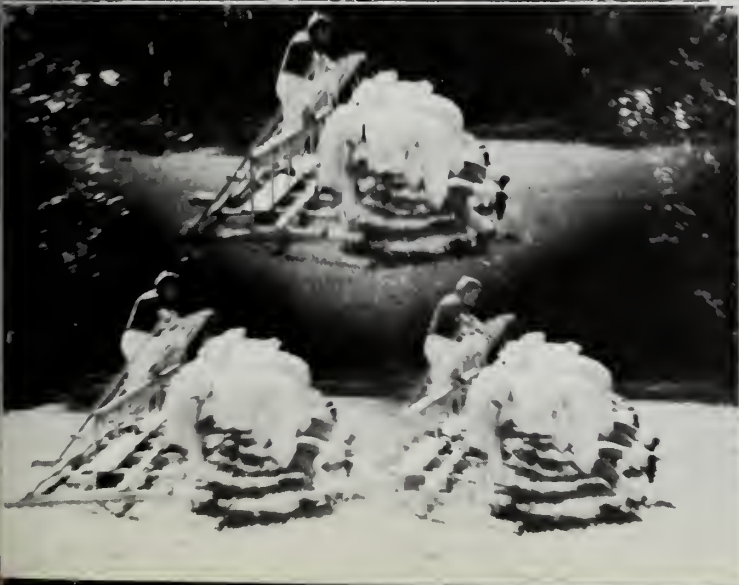

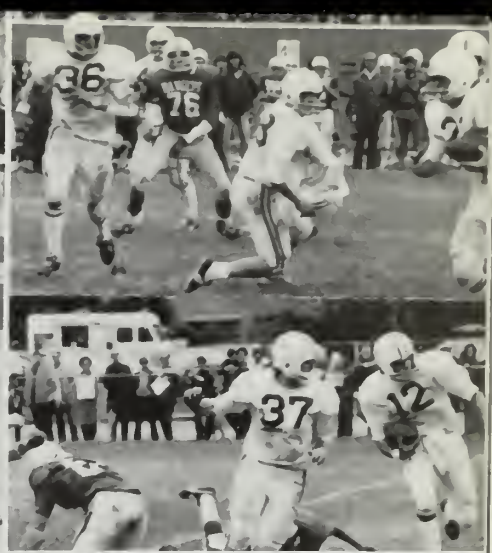

In 1973 the Billerica Football Team began a new type of football. This is winning. With a new coach and a new style of football, we, the players, became a team made up of a group of individuals.

Most people believed Billerica would be a losing team as in the past. But through the determination of the players and coaches we proved that Billerica could win.

So we, the Team of 73, leave this new beginning to others who may follow us and carry on this new tradition of winning.

Cross-Country

The cross-country season of '73 was what one might call a rebuilding season, since the team had only three upper-classmen and a majority of Freshman and Sophomores.

A Freshmen division was added to the conference this year, breaking the league down into three divisions, Freshman, Junior Varsity, and Varsity.

Although the Varsity team didn't do as well as one might expect from a Billerica cross-country team, the Freshman team did well, placing among the top three teams in several state-wide meets and wound up the season winning the Freshmen Division league championship, with the Junior Varsity finishing second in their division.

Having such outstanding lower-class men on the team, Billerica looks forward to many more cross-country championships.

The Spring Track team of 1973, cited by coach Roger Sampson as the strongest ever in the history of Billerica Track, ended its season with an over all record of 8 wins and 1 loss. The only defeat came from League Champion Andover, where the meet went down to the relay, the final event. But because of the loss of Hugh Healy only the day before with a muscle injury, the team was defeated. However, led by Captain Gary Rucinski and Co-Captains David Scharn and Russell Davis, the squad won the Merrimac Valley League Relays, the first team trophy ever won in the many years of its existence.

John Bradford was voted the Outstanding Performer, placing sixth in the 2 mile in New England Meet. Russell Davis received the Alumni Award trophy as the most constant performer of the team.

Girl's Softball

The girls varsity softball team composed largely of under-classmen concluded the season with a 4 and 6 record. The team was captained by Anne Morris with Marilyn Conley and Beverly Mortimer the only other seniors on the squad. Returning to this years team are letter runners Gail Jenkins, Debbie Higgins, Pat Smith, Peggy Guarino, Sandy O'Brien, Pat Brennan and Donna Loranger.

The 1974 Baseball team will feature a great many young faces. Juniors and sophomores will predominate, while seniors will be sprinkled here and there. Paul Hamilton and Mark Schermahorn were chosen as captains for the 1974 season.

Returning lettermen hopefully will include names like Bunny, Russo, Kelley, and Zimmerman. These players have all seen varsity action and should be better ball players this season.

The team will run, and play a good defensive game. Hitting and pitching are both question marks. Most of the pitchers this year will be youngsters trying to prove their ability. A good deal of the hitting will rest on the shoulders of Hamilton, Russo, Kelley, and Zimmerman. The players are all enthusiastic and looking forward to a successful season.

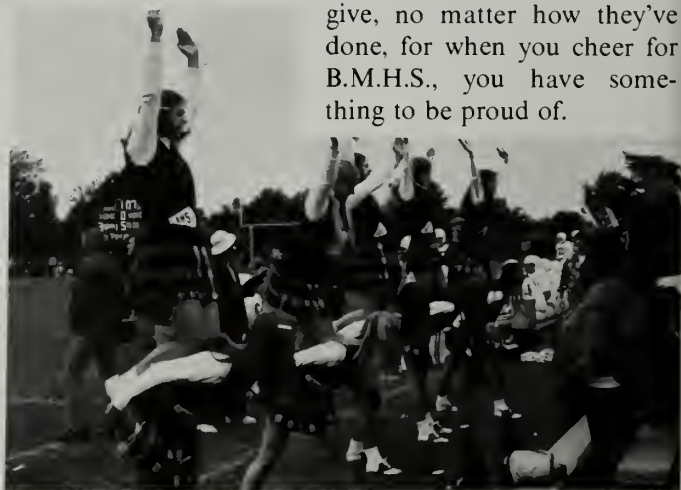

The Cheerleaders

The Cheerleaders this year have had an enjoyable time cheering for the Indian teams. We would like to thank the great coaches, the teams, and the B.M.H.S. fans for a most wonderful year.

Being a cheerleader is more than simply yelling loud and jumping high, it's knowing that you're depended on to lead the support for your teams at every game. The pride we've had in the teams is as much as anyone could give, no matter how they've done, for when you cheer for B.M.H.S., you have something to be proud of.

Drill Team

To us Drill Team has been an unerspassable experience. Throughout the year we have overcome many obstacles but we have always got off on the right foot. It was a lot of hard work and with the cooperation of the girls it has been a lot of fun and a very successful year. We would like to express our appreciation to the girls and to our advisor, Mrs. Hanover, for their effort and spirit this year.

Thank you,

Cindy Graham and
Joyce Garrant Captains

Twirlers

As captain of the twirlers I would like to say how proud this group has made me during this past year. The effort the girls have shown, has brought much recognition to the Baton Twirlers of B.M.H.S. than ever before.

Laura Anderson
Captain

Gymnastic Team

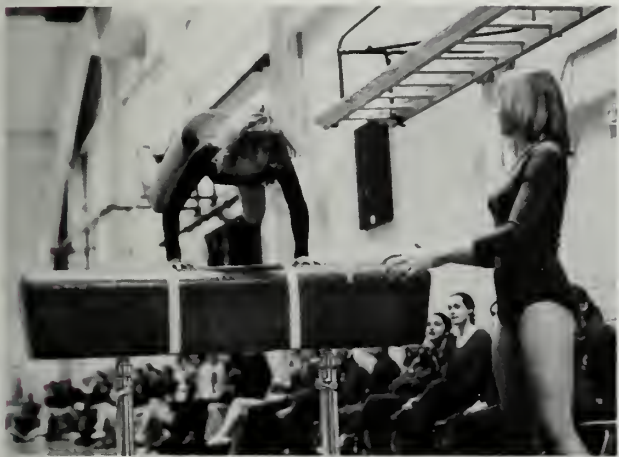

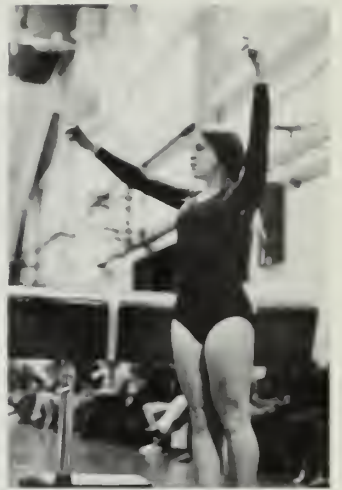

As a first year team, we feel we have accomplished more than we had hoped. The entire team has worked exceptionally hard for one thing, to do our best. We think we've shown that a first year team can be competitive, win, and have just as much spirit as any other team.

We have the enthusiasm, the pride, and the ability to work together to build a really great team in years to come. Whether we win or lose, the excitement of competition is always there. Each member of the team is confident and willing to compete, which reflects their hard work and practicing. Everyone competes as a team instead of as individuals. Each member is equally proud of a team-mate who has done well.

And we have the best coach imaginable . . . , Miss Scott, without whose help nothing could have been possible.

BASKETBALL

The Billerica Girls' Basketball team is showing great potential under the coaching of Miss Nancy Phillips. The team has a record of 7-3 so far this year and is still aiming for the M.V.C. title along with qualifying for the first state tournament. With the experience from this year, next year's promises are looking better.

BASKETBALL '74

Billerica High Basketball team, led by the rebounding of Dave Ramsden and the shooting of Dave Russo, have completed the first half of their Merrimack Valley Season with a .500 record, and hope to improve their record in the second half of the season.

Head Coach — Ed James

Assistant Coach — Arthur Podaras

Managers—Hector MacDonald, Tim Doherty
Co-Captain — Dave Ramsden, in his third varsity year has become the top rebounder in the league. At 6'3½" he is one of the shortest centers in the league. He is also one of the team's top scorers. SR.

Co-Captain — Rich Moniak, in his second year of varsity, Rich is considered a clutch performer. He is the smallest guard in the league at 5'7" SR.

Dave Russo, in his record year of varsity, has developed into one of the top scorers of the league, 5'11" JR.

Jim Fialkowski, in his second year of varsity, has developed into one of the consistent rebounders of the league. He is also one of the top scorers of the team. 6'0" JR.

Duke Diaz, has good defensive ability, with great potential for next year. 6'0" JR.

Randy Bunney, has good ability to set up offense plays for the team. 5'10" JR.

Bruce Boyson, has earned the title of "super sub", because he has come off the bench to put a new life into the Indians very often this year, 6'1" JR.

Rich Flannery — 5'10" JR.

Eric Scott — 6'3" JR.

Bryan Thomas — 5'11" JR.

Jim Burke — 5'10" JR.

Jim Wood — 6'1" JR.

Tony Pellegrino — 6'4" JR.

HOCKEY

1973-74

The 1973-1974 Indian Hockey team is a young veteran team. Nine of this season's unit played in the semi finals at the Boston Garden in last year's tournament. The positions we did have to fill were well taken care of by a good group of sophomores and a few freshmen.

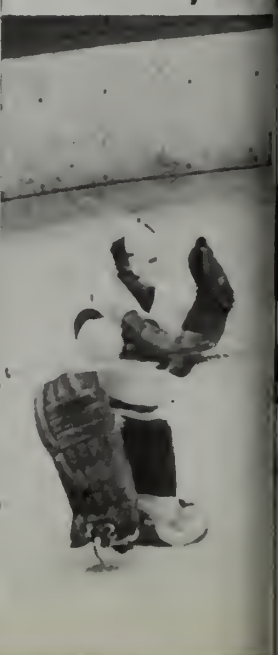

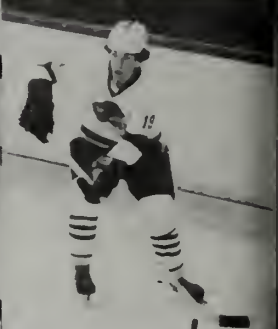

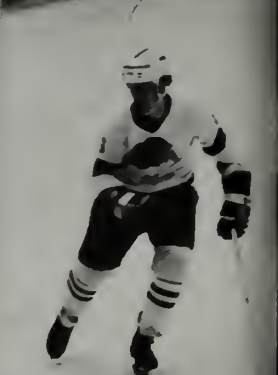

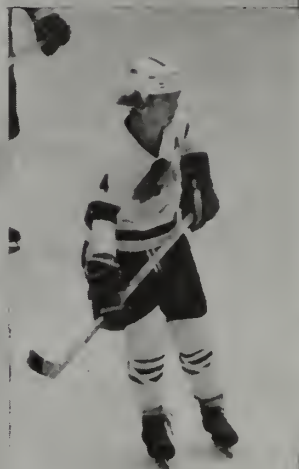

The Jenkin's line of Brian Bullock and Brian Russell has taken on the added responsibility of

scoring while still playing a solid defensive game. The combination of the nomadic Bob Miller and sophomores Albie Balboni and Carlton Quinton has developed into a solid two way line. This Richard combination has brought together maturity and experience with young inexperienced hustle. Senior Chuck Wasylak has the job of settling in with freshmen Bill Hallenborg and sophomore Bob Johanson.

The defensive corps is backboned by Captain Mike Mastrullo and sophomore John Arnold. Freshman Jack Hynes is being brought along slowly by his two defensive partners. Goal tending is on the upswing with the diligent work of Arthur Jean, John McLaughlin and Randy Williams. They provide excellent back up support.

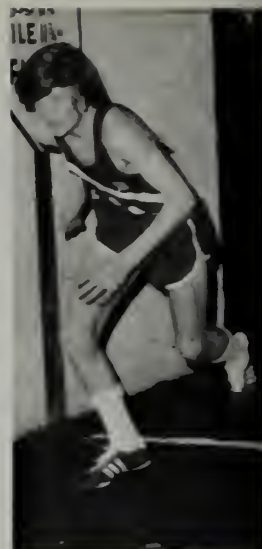

Bench strength is a very necessary item. Jim Wronski, Dave Wain, and Rudy Paquette form a very well disciplined breather line. Bob Lind, a sophomore defenseman, is a swing man in our defensive unit.

WINTER TRACK

Due to the combined effort of a great group of guys, the Winter Track Team had its most successful season in the history of the team. The Freshmen and Sophomores won the Annual Central Catholic Freshman-Sophomore meet with a score of 24 points, thanks to outstanding performances by Steve Iadorola and Ted Doyle. Led by captains Peter Allen and Russell Davis, the team had an overall record of six wins and two losses in its first year in the Merrimac Valley Conference. The team displayed the ability, the determination, and the spirit which will make them prime contenders for the MVC crown in the next few years.

THE CIRCLE GAME

Yesterday a child came out to wonder
Caught a dragonfly inside a jar
Fearful when the sky was full of thunder
And tearful at the falling of a star

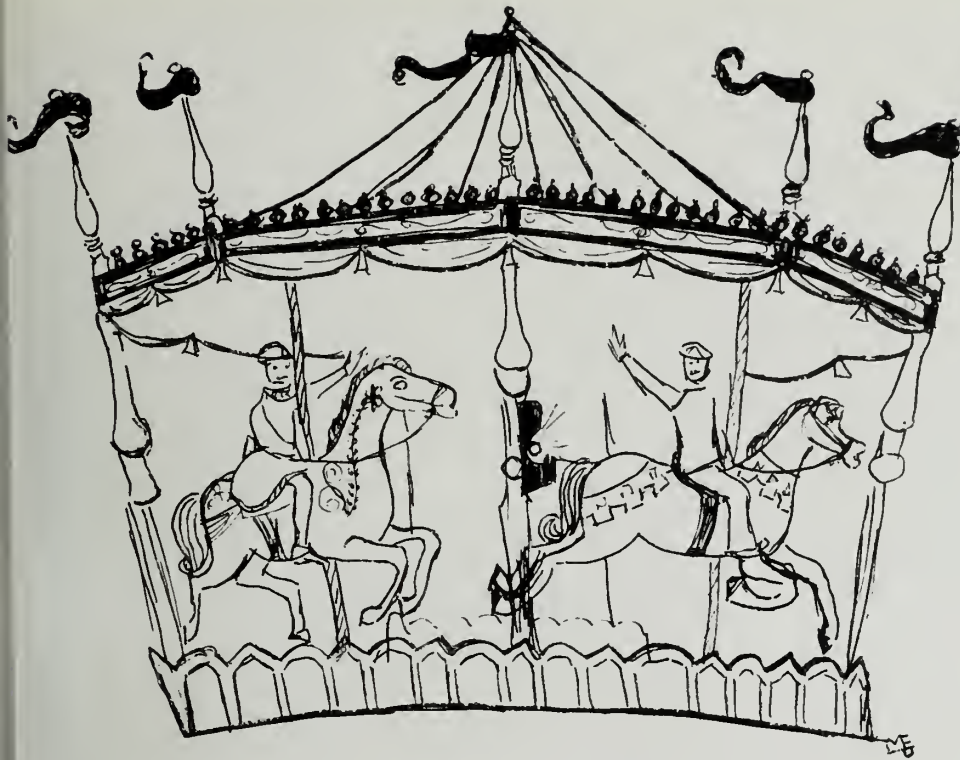

Refrain:

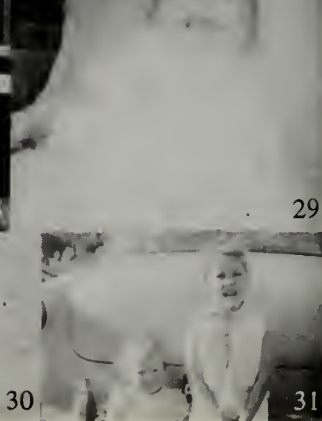

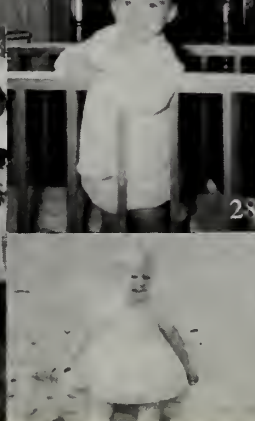

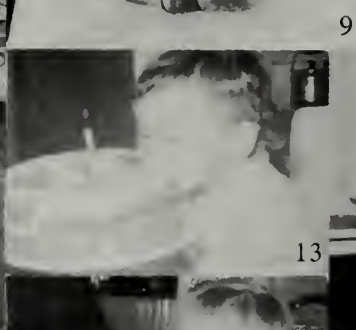

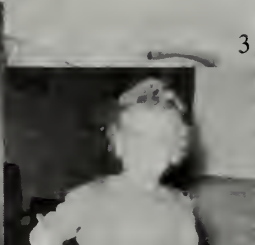

And the seasons they go round and round
And the painted ponies go up and down
We're captive on a carousel of time
We can't return, We can only look behind
from where we came
And go round and round and round in the
circle game

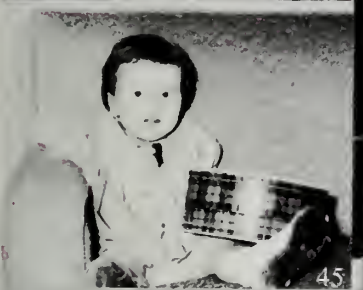

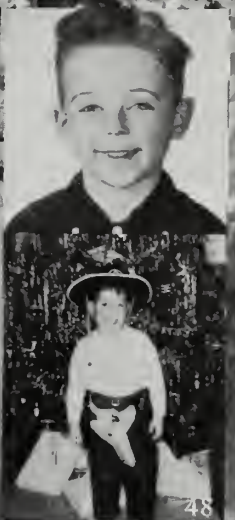

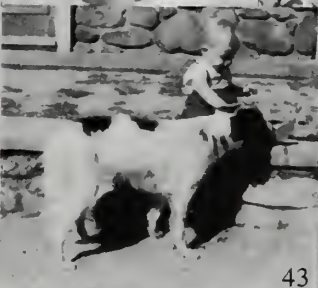

Then the child moved ten times round the
seasons
Skated over ten clear frozen streams
Words like, "When you're older" must ap-
pease him
And promises of someday make his dreams

Sixteen springs and sixteen summers gone now
Cartwheels turn to carwheels thru the town
And they tell him, "Take your time, it won't
be long now
Till you drag your feet to slow the circles
down"

So the years spin by and now the boy is 20
Though his dreams have lost some grandeur
coming true
There'll be new dreams maybe better dreams
and plenty
Before the last revolving year is through

YOU KNOW YOU'VE REALLY MADE IT WHEN ...

You finally get your own set of wheels

You find the way out

You have recess in High School

You get your heads together

You find your form of expression

You finally get to see him

You find the tack you lost

You find your stash

You don't get caught

The floor is clean before the bell

You get a whistle

You finally get your picture in the year-book

You find a new job

You dine by candlelight

That day finally comes

You open your own place

Your hat fits

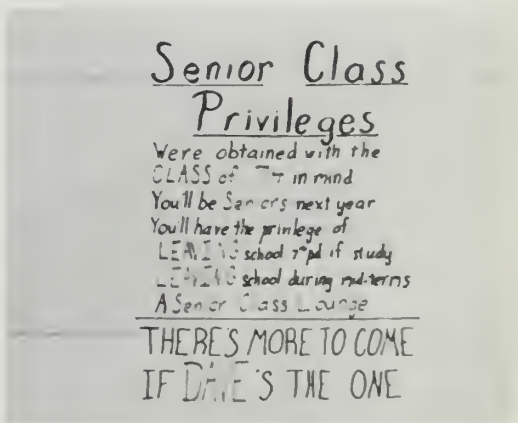

You've mastered the pirovette

You make the cheering squad

You learn to fly

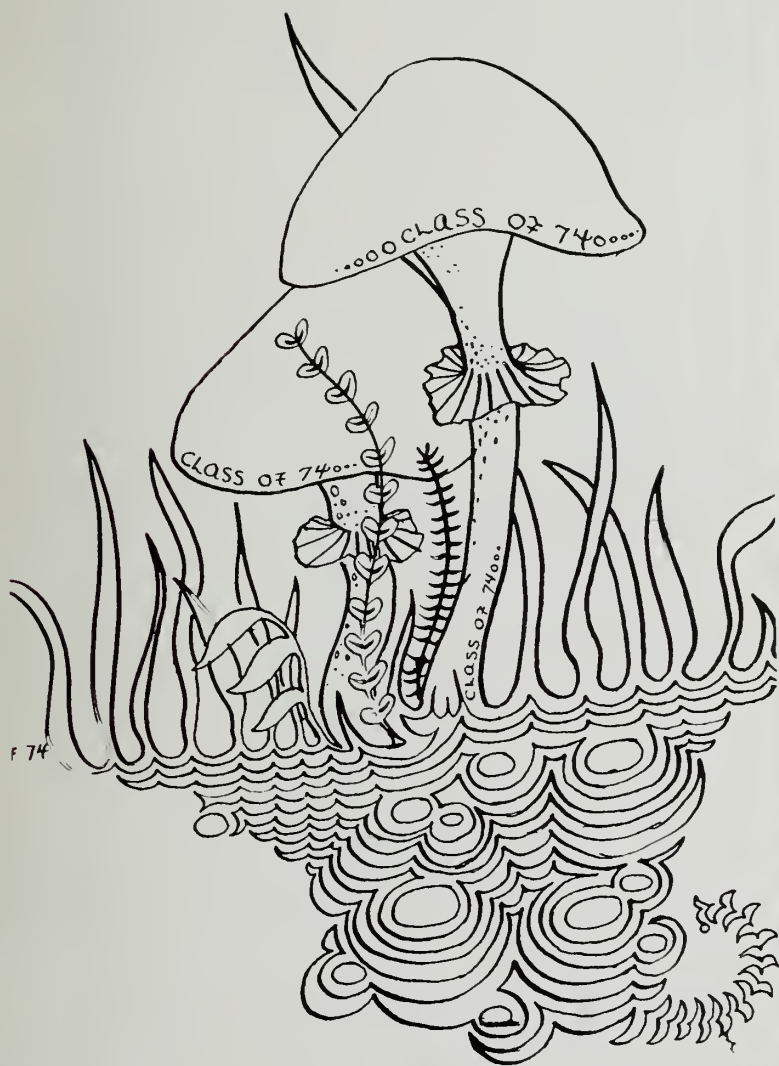

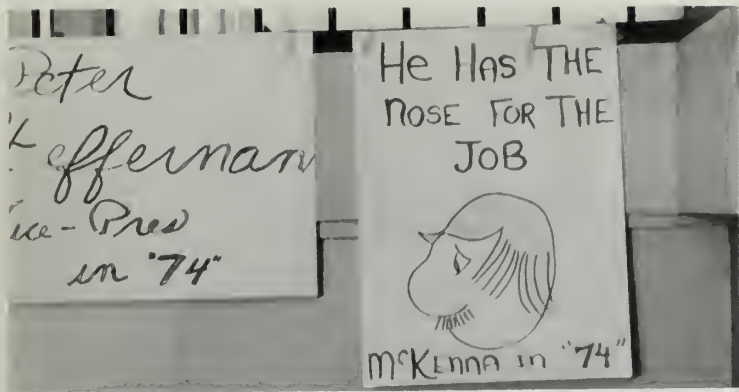

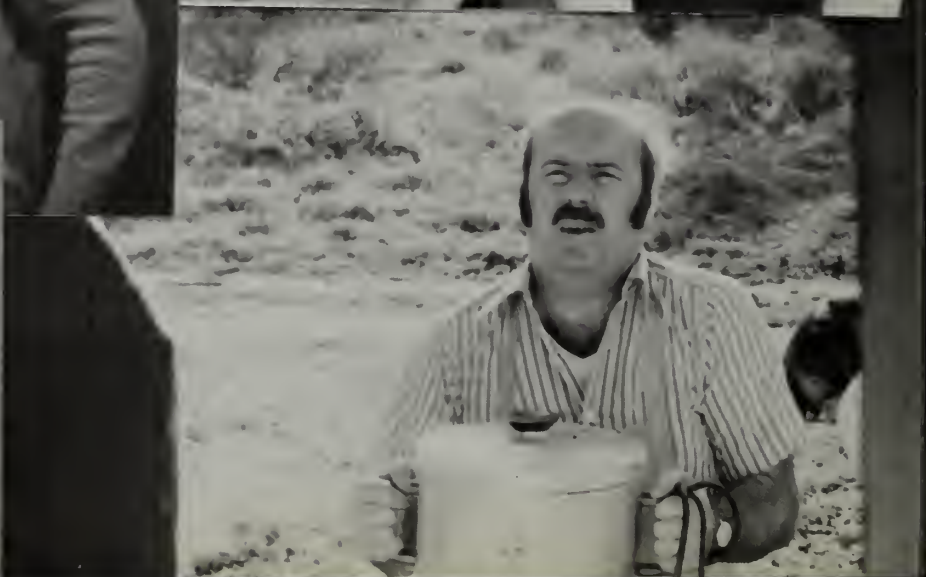

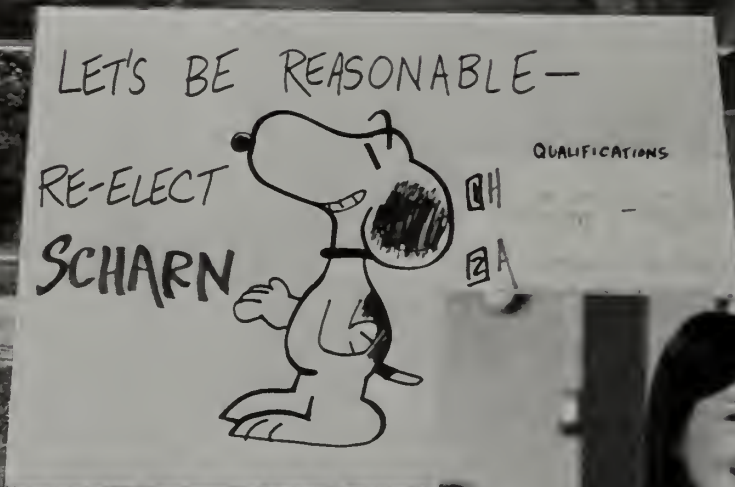

You can use your privileges

...

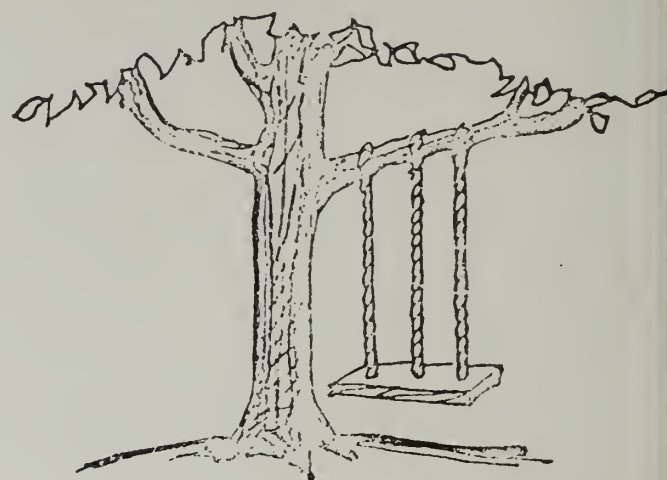

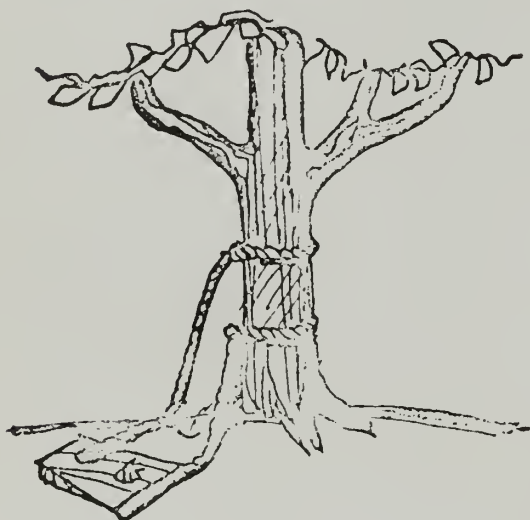

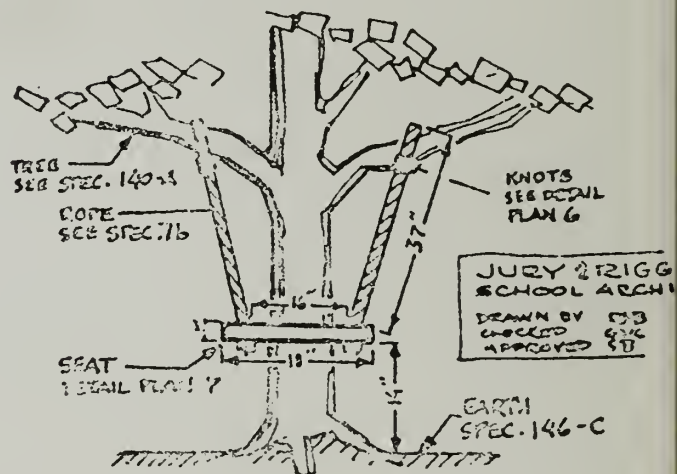

AS TEACHERS REQUESTED IT

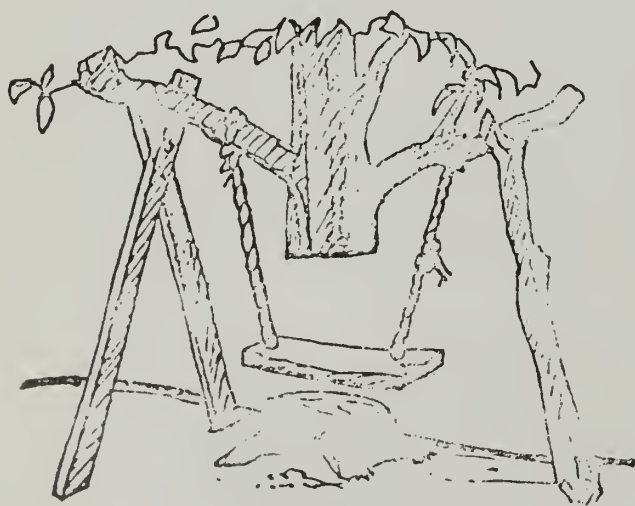

AS PRINCIPALS ORDERED IT

AS CENTRAL OFFICE DESIGNED IT

AS BOARD OF EDUCATION APPROVED IT

AS MAINTENANCE INSTALLED IT

This thing all things devour,
Birds, beasts, trees, flowers;
Slays king, ruins tower;
Brings high mountain down;
Gnaws iron, bites steel;
Grinds hard stone to meal.
